THEIA NATURAL STONES INTERIOR & LANDSCAPE DESIGN

THEIA NATURAL STONE is a premier importer, exporter, and distributor of quality natural stone, landscape-interior architecture and manufactured marble, basalt, granite, dolomite etc. from around the world.

We strive to provide our valued customers the highest quality products, along with superior customer service, that will help them locate any stone they may desire.

THEIA NATURAL STONE imports & exports thousands of natural stone products from around the world from over 15 different countries.

Our product range includes tiles, slabs, mosaics, sinks, trims, cut-to-size and many other formats in slate, quartzite, sandstone, marble, granite, travertine, limestone, onyx.

In addition, we also provide direct container shipments to your facility around the world, no matter what size, quantity, or port of entry; our logistics staff will make your order easy and hassle free.

THEIA also has expertise in granite, marble, and slate.
There are also stone expertise services.

By controlling the selection of raw material and the entire production process with factories, we can supply the highest quality products to our customers.
We are continuously searching for new and cutting-edge products to offer our global partners, leading the way in innovation in the stone industry.

No matter the size of your order, we at THEIA appreciate your business and can guarantee you and your staff will be treated with the utmost of professionalism and respect.

We thank your global and domestic partners for their support over the last 20 years and look forward to a prosperous future ahead.
